1873.

408 State Street,
Brooklyn, N. Y., 15th April, 1873.

I respectfully invite the attention of the COLLECTORS to the Medals and Medalets in the accompanying Catalogue, which I believe is the largest and finest assortment that has ever been offered in the United States, and the Series connected with the State of New York will, I think, be found peculiarly interesting.

Had the owner been able to superintend this portion of the Catalogue, I have no doubt it would have been presented more correctly, and I trust that, under the circumstances, my friends will overlook any errors that may be discovered in its arrangement.

EDWARD COGAN.

CANADA MEDALS.

All very fine.

This is, I believe, the largest and altogether the most important assortment of Canadian Medals and Coins ever offered in the United States. As a guide to collectors, I have referred to Mr. Alfred Sandham's book, "Coins of Canada," and to which the number of each Medal or Coin will be attached.

COPPER MEDALS.

All fine, unless otherwise described.

- | | | SIZE. |

| 375 | 1142 Britannia in a chariot, drawn by a Lion—supported by Liberty and Justice; known as the Louisburg Medal. (S. No. 3). Rev. same as No. 2 | 26 |
| 520 | 1143 Another, Copper gilt. The same in all respects. Mr. S. calls the reverse of this No 1; it should be No. 2. (S. No. 3) | 26 |
| 1150 | 1144 "Georgius II. Rex., head to left." Rev. Same as the above <i>obverse</i> . (S. No. 5) | 26 |
| 500 | 1145 Ob. A Globe—a soldier and sailor pointing to the word, Canada, and below is "America" further down on the globe—above, Fame blowing a trumpet; below, prostrate figure of France. Rev. Naval scene, "Louisbourg taken, MDCCLVII." A rare medal. (S. No. 6) | 26 |
| 1500 | 1146 Ob. "O, Fair Britannia, Hail," head to left. Rev. Victory marching, &c. Same inscription as preceding. Very rare. (S. No. 7) | 25 |

- | | | | SIZE. |
|--|------|---|-------|

| 1300 | 1149 | Ob. "Jacobus Wolfe Anglus," head to left. Rev. an Urn upon a pedestal, surrounded by military trophies—"In Victoria Cæsus;" in Exergue. Quebecæ, Sept. XIII., MDCCLIX. Very rare. (S. No. 11) | 24 |

| 1400 | 1151 | Ob. "George II. King," head to left. Rev. a female seated weeping under a tree—a beaver behind the tree; "Canada subdued." (S. No. 14). The reverse different from No. 13, to which Mr. Sandham refers, and is probably a rarer medal | 25 |
| 450 | 1152 | Ob. Arms of the Board of Arts. Rev. a wreath of maple leaves, between the tops of which is the Prince of Wales Feather. In wreath an inscription in eight lines about Canadian industry. Beautiful proof. (S. No. 16) | 24 |
| 450 | 1153 | Ob. Same as preceding. Rev. Maple leaf wreath encircling the inscription, "Lower Canada Provincial History." In the centre, "Honoris Causa, space below for a name. (S. No. 17) | 24 |
| <p>N. B.—Mr. Sandham says these last two medals were engraved by J. S. Wyon, of London, for the Lower Canada Board of Arts, and after an account of the object for striking them, concludes by saying that as there were only sufficient issued for the exhibitors who were entitled to them, and therefore can only be found in the possession of others by having purchased them of exhibitors who did not value them, they must both, consequently, be very rare.</p> | | | |
| 1100 | 1154 | Ob. "H. R. H. The Prince of Wales." Head almost fronting; rev. a view of "Victoria Bridge, Montreal, opened by the Prince of Wales, 1860." (S. No. 19) | 26 |

rare card. These tokens have never been issued, as on
